These Partner Terms and Conditions, along with a duly executed Partner Acceptance Document, authorizes you to participate in a Red Hat Partner Program as set forth in the Partner Acceptance Document (or as otherwise agreed in writing) in the Territory authorized by Red Hat and sets forth the terms of your participation. If no Territory is identified in the Partner Acceptance Document, the Territory will default to the country based on your address. The Agreement is comprised of this the Partner Terms and Conditions, Partner Acceptance Document, the Program Appendix, any referenced documents or links and transaction documents entered into pursuant to these terms (collectively, the "**Agreement**").

1. Purpose

Red Hat designs programs for its partners ("**Programs**") to promote Red Hat Products, enhance the satisfaction of Red Hat's End Users and augment the expertise and resources of partners. Partner's participation in the Program(s) is governed by the following:

- (a) Partner Acceptance Document including these Partner Terms and Conditions;
- (b) the applicable Program Appendix(ices) which have been agreed to by the Parties, including any End User License Agreements and Program Guide that may be referenced and/or incorporated into these documents; and
- (c) any transaction documents (subject to this Agreement) for Red Hat Products and/or Services (each, an "**Order Form**")

"**Red Hat**" means Red Hat Limited with a registered address of 6700 Cork Airport Business Park, Kinsale Road, Cork, Ireland. "**Red Hat, Inc.**" means Red Hat, Inc. with a principal place of business of 100 East Davie Street, Raleigh, North Carolina 27601, U.S.A. Red Hat "**Products**" and "**Services**" mean the specific Red Hat branded offerings set forth in a Program Appendix. Red Hat, Red Hat, Inc. and Partner are collectively referred to as the "**Parties**" and may be referred to individually as a "**Party**". "**End User**" is defined in the Program Appendices.

2. Programs, Application Process, and Acceptance

Details of Programs, membership levels, specializations and qualifications for Partner participation in Programs and, if applicable, related Program Guides are included in Program Appendices, each of which may be amended by Red Hat from time to time effective seven (7) days after notice or as otherwise set forth in such notice. In particular, Red Hat reserves the right to change Programs, membership levels and/or specializations at any time, provided if you do not agree with the new terms, you may elect not to continue to participate in such Program or Program level. Unless otherwise agreed in writing, any subscriptions for Red Hat Products or Services purchased under a Program Appendix will commence upon the earlier of the first use of such Product or Service or the purchase date of such Product or Service.

3. Affiliate Authorizations

Partner's Affiliate(s) may participate in the Program only upon (a) approval by Red Hat, including with regard to Program level and credit terms, and (b) execution of a written participation agreement with Red Hat or its Affiliate(s) to bind the Partner Affiliate to this Agreement. "**Affiliate**" means an entity that owns or controls, is owned or controlled by, or is under common control or ownership with a Party, where "control" is the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of an entity, whether through ownership of voting securities, by contract or otherwise.

4. Territory

Partner may participate in the Program(s) only in the Territory designated in the Agreement. Red Hat and Partner may elect to expand the Territory, add Affiliates and establish the different terms and conditions (e.g. currency, taxes, entities, etc.) by mutual written agreement, which may take the form of a Partner Acceptance Document or written participation agreement subject to this Agreement.

5. Fees

Fees, if applicable, will be as indicated in each appropriate Program Appendix, and will be due and payable as set forth in such Program Appendix or Order Form subject to this Agreement. All amounts owed under the Agreement are to be paid in the currency indicated in the relevant Program Appendix.

6. Billing, Payment and Taxes

Where Partner acquires Red Hat Products and/or Services directly from Red Hat, Red Hat will invoice Partner as set forth herein and may require receipt of a purchase order for any amounts due to Red Hat; provided, however, that any terms contained in such purchase order will not amend, supplement or modify the terms of the Agreement or be binding on Red Hat. Partner must pay all sums due to Red Hat on a prepaid basis, without regard as to when or whether Partner collects payment from an End User. Partner will reimburse Red Hat for all costs and expenses incurred by Red Hat in connection with the collection of overdue amounts, including without limitation reasonable attorneys', solicitors or legal fees. All amounts payable shall be exclusive of any Taxes. Partner will pay to Red Hat, in addition to any amounts due to Red Hat for Red Hat Products or Services, an amount equal to any Taxes arising from or relating to this Agreement,

including without limitation sales, service, use or value-added taxes, which are paid or are payable by Red Hat or present Red Hat with a valid tax exemption certificate. "**Taxes**" means any form of taxation, levy, duty, charge, contribution or impost of whatever nature and by whatever authority imposed (including without limitation any fine, penalty, surcharge or interest), exclusive of any taxes based on the net income of Red Hat. In the event of a cross-border transaction, should Partner be required under any applicable law or regulation, domestic or foreign, to withhold or deduct any portion of the payments due to Red Hat, then the sum payable to Red Hat will be increased by the amount necessary to yield to Red Hat an amount equal to the sum it would have received had no withholdings or deductions been made. The parties will work together in good faith to minimize adverse tax consequences to Red Hat created by cross-border transactions. Any payments more than thirty (30) days past due will be subject to a late fee of one and one-half percent (1½%) per month or, if any applicable law sets a lower maximum, then that maximum rate allowable by such law.

7. Verifications

During the Term (as defined in Section 13.1) and for at least two (2) years thereafter, Partner will keep and maintain commercially reasonable written records and accounts regarding Partner's use and distribution of the Red Hat Products and Services and business activities related to the Program(s) ("**Records**"). Red Hat may, at its own expense, verify such Records to determine Partner's compliance with this Agreement. Such verification may take the form of requests for information, documents or records (with which Partner shall respond promptly), on-site visits (in respect of which Partner hereby grants the requisite access), or both. Partner agrees to act reasonably and to cooperate with Red Hat in relation to such verifications. Any on-site visit will occur during regular business hours at Partner's offices, and will not interfere unreasonably with Partner's business activities. For an on-site visit, Red Hat will give Partner at least ten (10) day's prior written notice of the date of each visit.

8. Trademarks

- 8.1 As used in this Agreement, the term "**Red Hat Marks**" means the trademarks owned by Red Hat, Red Hat Inc. or a Red Hat Inc. Affiliate that are set forth in each applicable Program Appendix. Red Hat/Red Hat Inc. grants Partner a non-exclusive, non-transferable, royalty-free, revocable license in the Territory and during the Term to use the Red Hat Marks solely in connection with the marketing and distribution of the Red Hat Products as permitted in this Agreement, without the right to sublicense. Any other use of the Red Hat Marks is not permitted under this Agreement.
- 8.2 Partner agrees to use the Red Hat Marks only as stated in this Agreement, and in doing so, to follow the standards of quality established by Red Hat and Red Hat Inc. and to adhere to the trademark usage guidelines found at: <http://www.redhat.com/about/corporate/trademark/guidelines> as amended from time to time and any other trademark terms found in any applicable Program Appendix (the "**Red Hat Trademark Guidelines**"). Partner agrees not to use the Red Hat Marks in combination with any other trade name, trademark or service mark without the prior written approval of Red Hat. Upon Red Hat's request, Partner will provide Red Hat with representative samples of the use of Red Hat Marks contained within any materials including web pages, marketing, advertising, promotional and collateral materials ("**Promotional Materials**").
- 8.3 If Red Hat determines that Partner is using the Red Hat Marks in breach of this Agreement or otherwise improperly, and/or in connection with goods or services not covered under this Agreement or outside of the Territory, Red Hat will notify Partner, and Partner will remedy the improper use within two (2) days following receipt of such notice from Red Hat. Use of the Red Hat Marks other than as expressly permitted in this Agreement is a material breach of this Agreement, and Red Hat shall have the right, notwithstanding the provisions of Section 13.2, to immediately terminate this Agreement. Partner agrees that any use of the Red Hat Marks after termination of the Agreement for any reason will cause Red Hat irreparable harm.
- 8.4 All goodwill created by the use of the Red Hat Marks by Partner is for the sole benefit of, and accrues to Red Hat/Red Hat Inc. Partner acquires no right, title or interest in the Red Hat Marks or the goodwill associated with them, other than the right to use the Red Hat Marks according to this Agreement. In accepting this Agreement, Partner acknowledges Red Hat's/Red Hat Inc.'s ownership of the Red Hat Marks, their validity and the goodwill connected with the Red Hat Marks. Partner will not challenge the validity of the Red Hat Marks, nor assist any one in challenging them. Partner agrees not to make any application to register any Red Hat Mark or any domain names containing a Red Hat Mark, and not to use or register any trade name, trademark, service mark, slogan, logo or domain name that is confusingly similar to, or a reference to, any Red Hat Mark or any Red Hat, Red Hat Inc. or Red Hat Affiliate's trade name or service mark during or after the Term of this Agreement. At the request of Red Hat, Partner will execute any papers or documents reasonably necessary to protect the rights of Red Hat and/or Red Hat Inc. in the Red Hat Marks and will execute and deliver such other documents as may be reasonably requested by Red Hat. Partner's use of the Red Hat Marks may not state or imply sponsorship or endorsement of Partner by Red Hat. Partner may not disparage Red Hat, Red Hat Marks or Red Hat Products. The right of Partner to use the Red Hat Marks will cease immediately upon the termination or expiration of this Agreement, and Partner must immediately discontinue use of the Red Hat Marks. If Partner becomes aware of any (possible or actual) infringement of the Red Hat Marks or any other intellectual property rights of Red Hat, Red Hat Inc. or any Affiliate of Red Hat it will immediately notify Red Hat in writing. This Section 8.4 will survive termination or expiration of this Agreement.
- 8.5 Partner agrees that when using the Red Hat Marks in any documentation or Promotional Materials or as otherwise permitted under this Agreement to include the following trademark legend: "[Name of Red Hat trademark] is a trademark of Red Hat, Inc., registered in the U.S. and other countries. Used under license." Red Hat's trademark legend will be no less prominent than the trademark legend for Partner's trademarks.
- 8.6 **Packaging.** Partner will not change or alter Red Hat packaging that houses Red Hat Products, including the graphic design appearing on such packaging or any labeling, words, logos, trademarks, pictures and collateral or other representations that appear on such packaging ("**Packaging**"). An alteration or change to Packaging includes, without limitation: (i) the application or attachment to Packaging of any material (e.g., labels, notes, seals, stamps, manuals, booklets, brochures, software packages, computer programs, compact discs, digital

versatile discs, blue-ray discs, tapes, manuals and toys); and (ii) the marking of Packaging in any way. Any alteration or change to Packaging must be expressly authorized in writing by Red Hat, which authorization may be withheld or granted in Red Hat's sole discretion.

9. Additional Requirements

- 9.1** Red Hat reserves all rights not expressly granted in this Agreement, including all rights not expressly granted in respect of the Red Hat Products and Services (including rights under any trademarks, copyrights, patents, or other intellectual property of Red Hat). Partner will not use the Red Hat Products or Services to create an offering competitive with Red Hat, Red Hat Inc. or any Affiliate of Red Hat, directly or indirectly, or for the benefit of any other person or entity or permit any third party to make such utilization, unless specifically agreed to in this Agreement. If Red Hat determines that any of the Red Hat Products or Services are being used (in whole or in part) by Partner in any way to (a) avoid paying fees that would otherwise be due hereunder, (b) provide Red Hat Products or Services to third parties outside of the scope of a Program or (c) create revenue without payment of fees to Red Hat for Red Hat Products or Services, Red Hat may immediately suspend performance and/or terminate the Agreement and any Program, and reserves its rights to exercise any and all legal and equitable remedies available to it under this Agreement or otherwise.
- 9.2** For each Red Hat Product (or Partner product that incorporates Red Hat Software) that Partner sells to an End User under a Program Appendix, Partner shall purchase the equivalent Red Hat Product, with respect to such conditions as the term (1 or 3 years) and support level, from Red Hat. For example, if the End User purchases a one year 24x7 support level Red Hat Enterprise Linux product from Partner, Partner shall purchase a one year Premium (24x7) Red Hat Product from Red Hat. Similarly, Partner is only authorized hereunder to resell the complete Red Hat Product it purchased and is not permitted to decouple the Red Hat Product or sell it in parts. For example, Partner will not purchase a 1 year Red Hat Product from Red Hat and then break it down into monthly or hourly increments for resale to the End User. Partner will work with Red Hat to ensure that its resale of the Red Hat Product to End Users is consistent with the guidelines of the Red Hat Products purchased.
- 9.3** Without limiting the generality of Section 9.1 and/or 9.2 above, Partner agrees: (i) not to modify the Red Hat Products in any manner; and (ii) not to use or resell the Red Hat Products in any manner or for any purpose not permitted by this Agreement, including, without limitation, for Partner's own internal or production use, other than as may be expressly permitted in the applicable Program Appendix or by any applicable mandatory rule of law. Should Partner desire to use the Red Hat Products for Partner's own internal or production use other than as expressly permitted in the applicable Program Appendix, Partner agrees to purchase the appropriate Red Hat Product(s) under Red Hat's standard terms for internal use, and to pay the applicable fee for all periods of use. This Agreement establishes the rights and obligations associated with Red Hat's Programs, Products and Services, and is not intended to limit Partner's rights to software code under the terms of an open source license.

10. Intellectual Property

Partner acknowledges and agrees that all trademark, copyright, patent, trade secret and all other intellectual and industrial property rights anywhere in the world, including moral rights, and all applications, provisional applications, registrations, continuations and renewals thereof, and all associated goodwill (present or future) in and to the Red Hat Products and Services, are and will, as among the parties, be owned by and vested in Red Hat or its licensors, notwithstanding any use of terms such as "purchase," "sale" or the like within this Agreement.

11. No Warranties, Limitation of Liability, Disclaimer of Damages, and Insurance and Indemnity

- 11.1 No Warranties.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE RED HAT PRODUCTS AND SERVICES ARE PROVIDED "AS IS" AND WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND AND THE EXPRESS PROVISIONS OF THIS AGREEMENT ARE IN PLACE OF ALL WARRANTIES, CONDITIONS, TERMS, UNDERTAKINGS AND OBLIGATIONS IMPLIED BY STATUTE, COMMON LAW, CUSTOM, TRADE USAGE, COURSE OF DEALING OR OTHERWISE, INCLUDING, BUT NOT LIMITED TO, IMPLIED UNDERTAKINGS OF MERCHANTABILITY, SATISFACTORY QUALITY, CONFORMITY WITH DESCRIPTION AND REASONABLE FITNESS FOR PURPOSE. Partner will make no representations or warranties on behalf of Red Hat regarding the Red Hat Products in connection with the distribution of the Red Hat Products or Services or otherwise.

11.2 Limitations of Liability.

- 11.2.2** SUBJECT TO SECTION 11.2.1, THE TOTAL AGGREGATE LIABILITY OF RED HAT, RED HAT INC AND ALL RED HAT AFFILIATES TO THE PARTNER AND ITS AFFILIATES (IF ANY) UNDER OR IN RELATION TO THIS AGREEMENT INCLUDING (BUT NOT LIMITED TO) LIABILITY FOR BREACH OF CONTRACT, MISREPRESENTATION (WHETHER TORTIOUS OR STATUTORY), TORT (INCLUDING BUT NOT LIMITED TO NEGLIGENCE), BREACH OF STATUTORY DUTY AND LIABILITY UNDER ANY INDEMNITIES SHALL NOT EXCEED A SUM EQUAL TO THE HIGHER OF EUROS 5,000 OR 100% OF THE TOTAL CHARGES PAID UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE DATE OF THE FIRST OF THE EVENTS GIVING RISE TO LIABILITY.

- 11.2.3** UNDER NO CIRCUMSTANCES SHALL RED HAT, RED HAT INC AND ALL RED HAT AFFILIATES BE LIABLE TO PARTNER OR ANY OF ITS AFFILIATES FOR ANY OF THE FOLLOWING TYPES OF LOSS OR DAMAGE ARISING UNDER OR IN RELATION TO THIS AGREEMENT (WHETHER ARISING FOR BREACH OF CONTRACT, MISREPRESENTATION (WHETHER TORTIOUS OR

STATUTORY), TORT (INCLUDING BUT NOT LIMITED TO NEGLIGENCE), BREACH OF STATUTORY DUTY, LIABILITY UNDER INDEMNITIES OR OTHERWISE):

- ANY LOSS OF PROFITS, BUSINESS, CONTRACTS, ANTICIPATED SAVINGS, GOODWILL, OR REVENUE, ANY WASTED EXPENDITURE, OR ANY LOSS OR CORRUPTION OF DATA (REGARDLESS OF WHETHER ANY OF THESE TYPES OF LOSS OR DAMAGE ARE DIRECT, INDIRECT OR CONSEQUENTIAL OR OTHERWISE); OR
- ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE LOSS OR DAMAGE WHATSOEVER,

EVEN IF THAT PARTY WAS AWARE OF THE POSSIBILITY THAT SUCH LOSS OR DAMAGE MIGHT BE INCURRED BY THE OTHER.

11.2.4 THE LIMITATIONS OF LIABILITY SET OUT IN SECTION 11 SHALL NOT APPLY IN RESPECT OF ANY LIABILITY WHICH MAY ARISE FOR PHYSICAL DAMAGE TO PARTNER'S TANGIBLE PROPERTY RESULTING FROM THE NEGLIGENCE OF RED HAT.

11.2.5 IN NO EVENT WILL EITHER PARTY OR ITS AFFILIATES BE LIABLE TO THE OTHER PARTY OR ITS AFFILIATES FOR ANY CLAIM BASED UPON A THIRD PARTY CLAIM.

11.2.6 THIS SECTION 11 SHALL SURVIVE AND SHALL NOT BE RENDERED INEFFECTIVE BY THE TERMINATION OR EXPIRY OF THIS AGREEMENT FOR ANY REASON WHATSOEVER.

11.2.7 Partner agrees and acknowledges that Red Hat Products and Services are not specifically designed, manufactured or intended for use in (a) the planning, construction, maintenance, control, or direct operation of nuclear facilities, (b) aircraft navigation, control or communication systems, weapons systems, or (c) direct life support systems. Partner agrees that it is solely responsible for the results obtained from the use of the Red Hat Products and Services.

11.3 Insurance and Indemnity.

Partner shall put in place and at all times maintain during the Term and for two (2) years thereafter, at its own cost and expense, appropriate and sufficient commercial general liability insurance with a reputable insurance company to cover the activities of Partner contemplated hereunder. The premiums for these policies of insurance shall be the responsibility of Partner. Upon request, Partner will provide Red Hat certificates of insurance for all insurance coverage. Partner will indemnify and hold harmless Red Hat from any and all liability, losses, costs, damages or expenses, including reasonable attorney's, solicitor's or legal fees and costs, resulting from or arising out of third party demands or claims against Red Hat relating to any of Partner's actions including, but not limited to, performance or non-performance under this Agreement.

12. Publicity and Confidentiality

12.1 Publicity. Partner will keep confidential and will not disclose, market or advertise to third parties the terms of this Agreement (including the fees paid hereunder) without the prior written consent of Red Hat. Partner or Red Hat may reference its relationship with the other, in the normal course of business including during earnings calls, discussions with analysts, meetings with the press, customer briefings, general marketing activities, and in regulatory filings. Neither Party will issue formal press releases or other similar activities referencing the other Party without the written consent of the other Party.

12.2 Confidential Information. The parties agree that Confidential Information provided under this Agreement will be held and maintained in confidence and each Party will use at least the same degree of care to protect such Confidential Information that it utilizes to protect its own confidential information, but in no event less than reasonable care. The recipient may use Confidential Information of the other Party only for the purposes for which it was disclosed. Confidential Information may be disclosed only to Affiliates, employees, agents and contractors with a need to know, and to its auditors and legal counsel, provided in each case they are under a written obligation or duty to keep such information confidential using standards of confidentiality not less restrictive than those required by this Agreement. "**Confidential Information**" means all information and materials disclosed by either Party to the other during the Term that is either marked confidential or, by the nature of the information or the circumstances surrounding its disclosure, would reasonably be considered confidential. Confidential Information does not include information that (a) is already known to the receiving Party at the time it is disclosed and has not been obtained wrongfully, (b) becomes known publicly without fault of the receiving Party, (c) is independently developed by the receiving Party, (d) is approved for release in writing by the disclosing Party, (e) is disclosed without restriction by the disclosing Party to a third party, (f) is disclosed pursuant to legal or regulatory obligations beyond the control of the disclosing and receiving Parties, or (g) is licensed under an Open Source License (as defined by the Open Source Initiative (www.opensource.org)). Both Parties agree that obligations of confidentiality will exist for a period of two (2) years following initial disclosure of the particular Confidential Information.

13. Termination

13.1 Term. This Agreement begins on the Effective Date and continues until the expiration or termination of all applicable Program Appendices ("**Term**"). The term of each Program Appendix is independent of the term of any other Program Appendix. "**Effective Date**" means the date when this Agreement has been accepted by you as described in the Partner Acceptance Document.

13.2 Termination by Red Hat or Partner. Red Hat and/or Red Hat Inc. may (without prejudice to any other right or remedy) terminate this Agreement in whole or in part (including any Program Appendix and Partner's participation in such Program) for any reason at any time upon thirty (30) days prior notice in writing to Partner. Red Hat or Partner may (without prejudice to any other right or remedy) terminate this Agreement in whole or in part (including any Program Appendix and Partner's participation in such Program) at any time upon notice in writing to the other Party if the other Party is in material breach of any of its obligations thereunder and (in the case of a remediable

breach) such breaching Party fails to remedy the breach within thirty (30) days (except for payment obligations, in which case five (5) days) of being requested in writing to do so unless a shorter cure period is otherwise stipulated under this Agreement or in the applicable Program Appendix, provided, however, that no cure period will be required for a breach of Sections 8, 9.1, 12.2 or 15.3 hereof.

13.3 Effect of Agreement Termination or Expiration. Termination or expiration of this Agreement in whole for any reason will immediately terminate Partner's participation in any and all Programs, including eligibility to the Program benefits. Upon such termination or expiration, Partner will immediately (i) cease referring to itself as a Red Hat Partner, or any other title associated with the Program, and using those titles in any communication and advertising; (ii) to the extent applicable, cease all promotion, demonstration, sale(s) and distribution of the Red Hat Products and/or Services; (iii) cease all use of the Red Hat Marks, (iv) return or destroy, at Red Hat's option, all printed materials containing such Red Hat Marks, including all documentation and Promotional Materials; and (v) remit all fees due to Red Hat within fifteen (15) days of such termination or expiration; provided, however, if the termination is not the result of a Partner breach, the Partner will be entitled to sell any of its inventory of Red Hat Products (subject to this Agreement) for which Red Hat has been fully paid and that are required to fulfill any unperformed contracts of Partner outstanding at the date of termination or expiration for a period of no longer than sixty (60) days. All rights and obligations of the Parties under this Agreement and all applicable Program Appendices will terminate immediately, except that the such obligations under Sections 6, 7, 8.4, 10-12, 13.3 - 13.4, 14, 15.1 - 15.2, 15.3.4, 15.3.5, 15.5, 16, and 18 hereof, any Partner payment obligations, and any provision regarding waiver of jury trial in the Exhibits or any applicable Program Appendices hereto, will survive such termination or expiration. Termination of this Agreement shall not affect any agreements between Red Hat and any End User.

13.4 No Compensation. In the event of a termination or expiration of this Agreement for any reason or at any time, neither Red Hat nor Red Hat, Inc. will have no obligation (except as Red Hat and/or Red Hat, Inc. otherwise may be liable to Partner for breach of this Agreement or otherwise pursuant to any mandatory law), to Partner, or to any employee of Partner, for compensation or for damages of any kind in connection with such termination or expiration, whether on account of the loss by Partner or such employee of present or prospective sales, investments, compensation or goodwill. Partner hereby indemnifies and holds Red Hat harmless from and against any and all claims, costs, damages and liabilities whatsoever asserted by any employee, agent or representative of Partner under any applicable cancellation, termination, labor, social security, payments under national insurance, or other laws or regulations.

14. Certain Remedies

The parties agree to make a good faith effort to resolve amicably any problem or dispute before commencing any proceedings (except where urgent injunctive relief is sought).

Partner shall not engage in conduct that would cause Red Hat or Red Hat Inc. to violate any law or regulation including the Anti-Corruption Laws. Partner shall not, directly or indirectly, receive anything of value from, or offer anything of value to, either private parties or government or public officials with the intent that such person perform improperly a relevant function or activity or to be rewarded for improper performance. Partner will immediately notify Red Hat in writing in accordance with the terms of this Agreement if it becomes aware of

any breach by it of this Section or of any request or demand for any undue financial or other advantage of any kind received by it in connection with the performance of this Agreement. If Red Hat believes that Partner (or any of its resellers or partners) has breached or may breach any of the provisions of this Section or a notice is provided pursuant to this Section, Red Hat can immediately terminate the Agreement or stop performing its obligations (including making payments, if applicable) without any liability to Partner.

- 15.3.3** Partner agrees that it will not re-export the Red Hat Products, their components or related technical information received from Red Hat except as permitted by the laws and regulations of the United States of America, the laws and regulations of England and the laws and regulations of the jurisdiction in which Partner obtained the Red Hat Products or Services, their components or related technical information or that are otherwise applicable. Without limiting the foregoing, Partner will comply with all applicable U.S. and English export laws, regulations and legal requirements. Partner acknowledges that such laws and regulations may restrict the export and re-export of certain commodities and technical information, including software.

- 15.3.5** Partner will not export any Red Hat Product, component or related technical information to a third party or to an Affiliate that is located in a country that is engaged in boycotting activities not sanctioned by the U.S. and will not make any sale that is prohibited under the U.S. Anti-boycotting Act (50 USCA 2407, Part 760) or which is prohibited under any English law or regulation or otherwise prohibited by the UK government.
- 15.3.6** To the extent required by law or to protect the rights of Red Hat, Partner will register this Agreement, at its expense, with any governmental authority requiring such registration, or with which registration is advisable, provided that Red Hat will have the right to review and approve any application for registration prior to its submission to any governmental authority. At Red Hat's option, Red Hat may obtain such registration in its own name. At Red Hat's request, Partner will withdraw any application or registration of this Agreement that it has filed.
- 15.3.7** Partner acknowledges that Red Hat may be prohibited from providing Services (including maintenance and support) for Red Hat Products, their components and related technical information if Red Hat has knowledge that a violation of the EAR has occurred. The Parties agree to cooperate with each other with respect to any application for any required licenses and approvals; provided, however, that Partner acknowledges it is Partner's ultimate responsibility to comply with any and all export, import and use laws and that Red Hat has no further responsibility after the initial export to Partner.
- 15.4 No Assignment.** This Agreement is only assignable by Partner with Red Hat's prior written consent. Any assignment made by Partner without Red Hat's prior written consent will be void and Red Hat will not be required to recognize the assignment. Red Hat may assign any or all of its rights and delegate or novate any or all its obligations hereunder without the prior approval of Partner. At the request of Red Hat, Partner will execute any papers or documents reasonably necessary to give effect to such assignment or novation. Partner shall promptly notify Red Hat of any material change to its ownership structure.
