Red Hat Summit 2024

Unlock what's next

Red Hat Summit brings together thousands of IT professionals, customers, partners, and peers to help you unlock the path to what's next. This year, AnsibleFest joins Red Hat Summit once again, bringing Ansible® to an even bigger open source stage. Whether it's challenging tech constraints, harnessing cloud complexity, or uncovering options you didn't know you had, Red Hat Summit is where you can unlock the outcomes you want.

Attendees and partners gain the best knowledge in the industry through:

- Hundreds of technical and business sessions.
- Presenter-led and self-paced, hands-on labs.
- Customer panels and presentations.
- Visionary keynotes from industry leaders.
- Networking opportunities and events.
- 1:1 collaboration with Red Hat subject matter experts (SMEs).

Join us **May 6-9, 2024**, in **Denver, Colorado** to break cloud barriers and build new expertise—for our organizations, industries, and the collective future of open source.

Why sponsor?

Red Hat Summit and colocated AnsibleFest is an exceptional opportunity to build awareness of your brand among technology leaders and practitioners from hundreds of **Fortune 500 organizations**. Share your company's message with thousands of the brightest minds in the open source ecosystem.

- **Share** your organization's brand and messaging with a captivated audience.
- **Connect** with Red Hat customers and prospects, and gain a deeper understanding of their needs and challenges.
- **Collect** new leads to engage with and nurture after the event.
- **Promote** your company's visibility pre-event, on site, and post-event through Red Hat Summit's social media following.

Interested in sponsoring Red Hat Summit and AnsibleFest 2024? View our package options and marketing promotional opportunities (MPOs) and contact sponsorships@redhat.com to request a contract.

How to reserve your sponsorship

Every year, many of our top-tier sponsorship packages sell out shortly after the prospectus is released. We recommend requesting a contract as soon as possible to secure your spot at Red Hat Summit and AnsibleFest 2024.

[Request a contract.](#)

Once the contract request is sent, the Red Hat Summit sponsorship team will be in contact with you within 24-48 hours to walk you through the next steps of the contract process. All packages are sold on a first-come, first-served basis. Guidelines and due dates are included within the contract and Exhibitor Resource Center (ERC). All items are subject to Red Hat approval. A signed contract is required to secure your sponsorship and be placed in the booth selection queue.
